Thank you for a terrific year!! We didn't know what was going to happen from day to day, but we made it in person!! Thank you for trusting us with your children and allowing us to love them!! We definitely missed the hugs and their beautiful smiles in the classroom. We look forward to a new year and getting back to as normal as possible.

Volunteers

Thank you to all of our recess helpers: Mrs. Peters, Mrs. Kromholz, Mrs. Cove, Mrs. Lamers, Mrs. Pynenberg, Mrs. Hofacker, and Mrs. VanHandel. Thank you to Mrs. Hofacker for picking up pizza on Friday's and helping to serve it. Thank you to Mrs. Lamers for shopping for the lunch groceries every week. Thank you to Mr. Brockman for helping with lunch and doing dishes. We couldn't have a lot of volunteers this year, but we sure appreciate all of you!!!

Staff leaving

We want to thank Mrs. Brockman and wish her well as she retires this year. We have loved her meals, especially "Brockman's Burgers"!! We appreciate all that she and Mr. Brockman have done for us!! We are also saying good-bye to Mrs. Kempen as she gets ready to have twins early next year. We thank Mrs. Kempen for the past three wonderful years. The good news is that she is willing to sub next year, so we will still see her smiling face around school.

Summer servers

Students going into 4th and 5th grade will be serving on Friday next school year. We would love for them to be trained this summer and practice on Wednesday or Friday Mass with the help of Deacon Jeff. This would give them practice before the school year begins. If your child is willing to serve this summer, please contact Deacon Jeff at ljlhofacker@aol.com or Celia McKee at ne@stedwardmackville.org.

Summer Reading Incentive

We sent home a summer reading incentive this summer in the final Wednesday folder. Students are asked to read 4-5 times per week. They will receive a calendar and each time they read, they will color the date. Keep these in a safe place, for example tape it to the refrigerator, because they need to turn these in the first week of the next school year. Students who turn in their calendars showing they read will be able to participate in a special reward. Students who do not read over the summer and do not turn in the calendar will spend time reading during our special incentive in the fall.
