

Enlightened by our Catholic Faith,
Enriched through Education,
Empowered with the Light of Christ.

COVID - 19 Update:

At this time we have three active cases of Covid-19 in our school. We have 55 students in quarantine, along with 3 staff members. That number represents three classrooms. Thank you all so much for keeping our school open and the students and staff healthy!!

COVID - 19 testing within your family

If someone in your household is being tested for COVID - 19, please keep all students home until the test results come back. Thank you!

Cold Weather

Students will be going out to recess every day unless it is below zero. Children need boots, hats, mittens, and snowpants so they do not get wet or cold when they play outside. If students don't have boots and snowpants, they don't get to play when they are outside. They will be bringing them home every night so you can dry them since they get so wet.

Registration for 21-22 School Year

Registration for the 21-22 school year will begin Catholic Schools Week. We will be putting the registration papers on our website beginning on January 31st. We will send the registration papers home in Wednesday folders on February 3rd. There is a \$75 registration fee that is waived if you sign up by February 12th.

Wisconsin Parental School Choice

St. Edward's became a School Choice School last year. School Choice allows students to attend St. Edward school without paying tuition based on your family income. This year School Choice is open to all students entering kindergarten through 5th grade and includes students who are currently at St. Edward. This is the last year that it is available to current students in 2nd - 5th grade. Only students entering kindergarten or 1st grade and new students coming from a public school will be eligible after this year. Current School Choice families do not need to prove family income this year, but you do still need to register and provide proof of residency. Registration begins February 1st. Please let the office know if you have any questions. [School Choice home page](#) [School Choice application page](#)

\$100 Tuition Credit

Know someone who would love to be at St. Edward's next year? If you refer a new family and they register for the 21-22 school year, you will be given a \$100 tuition credit for next year. Our best marketing is your experience at St. Edward. Please spread the word about how much you love our school!

Get Active

Each year Ms. LeClair offers Get Active to students during the month of February. This year we are only able to offer it to 2-5th graders because of keeping kids distanced and in their bubbles. If you have a student in those grades please let us know soon if your student will be attending. If we don't have enough students interested, we will not run the program this year. There is a form in folders today or you can reply to the email Mrs. Schuh sent you if your student is in quarantine.

Golf Fundraiser

Be sure to sign up to help and/or participate in the 1st annual golf fundraiser on May 14th. We are praying for beautiful weather and an awesome turn out. Emails from Home and School have been coming home with information.

Important Dates:

January:

22nd - NO SCHOOL

29th - Mass 8:15am

31st - Start of Catholic Schools Week

February:

5th - NO SCHOOL

Blessings for a wonderful, healthy week!

Mrs. Cowart
