Wisconsin School Choice Program

St. Edward will be participating in the Wisconsin School Choice Program next school year. This means that some families may qualify for free tuition. Not only would you get free tuition at St. Edward, but if you qualify, you would get free tuition at any participating Wisconsin Private School for middle school and high school, too. **There is an informational meeting at 6pm on Monday, January 13th in the school cafeteria.** Someone from the Diocese will be here to answer questions on how to apply.

Home and School Meeting

There is a home and school meeting on Monday, January 13th at 7pm. This meeting is immediately after the School Choice informational meeting. Come discuss the yearbook, school pictures, see a Discovery Education example, and more....

Sicknesses

Please remember that students need to stay home for a full 24 hours after they are fever free without medication. They also need to be 24 hours free of diarrhea and vomiting before returning to school. Thanks for keeping us all healthy. Cough drops are considered medicine. Please only send cough drops to the office with a medicine form. Students can not have cough drops in their lockers.

Weather cancellations

Please follow Hortonville School District for cancellations due to weather. You should also sign up on Remind through Lynn in the office. If you signed up in the past, you do not need to sign up again. We will send out a text through Remind, an email, and put it on our Facebook page. If after school activities are cancelled through Hortonville, we will not have After Care. Our goal is to keep everyone safe. Please have someone that can be available to pick up your child in the event we would have to close or cancel after care.

Outdoor clothes

ALL students need to have ALL of their winter gear, including hats, boots, snow pants, and mittens at school every day now. Children will not be permitted in the snow or on the wet playground without the appropriate clothing. We go outside everyday and it is not fun for any of them to have to sit out if they aren't dressed properly.
